## **DANIEL SLOSS - SO?**

With special guest Kai Humphries \*

Don't miss the stunning new show from Scotland's internationally acclaimed and award-winning comedian!

Daniel has sold out 8 consecutive Edinburgh Fringes and tours extensively throughout UK, Europe, Australasia and USA. His TV includes 'Sunday Night at the Palladium', 'Russell Howard's Good News', and five appearances on 'Conan O'Brien'. He co-created online sitcom M.U.F.F, gave a 'Tedx' Talk, released a live DVD and is working on his pilot for Warner Brothers Studios. And, hot on the heels of last year's incredible 80 date UK & European *DARK* tour, he's made his New York debut with a smash-hit season at the Soho Playhouse followed by a sold out 2 month tour in Australia and New Zealand.

*SO?*... what else is new...?!

'An endearingly unabashed blend of arrogance, awkwardness and self-effacing anecdotes delivered with precision timing, perfectly-placed silence and unfettered confidence... Nothing is off limits... Sloss skilfully weaves sensitive subject matter into a hilarious tapestry of politically incorrect and sexually inappropriate zingers... his humour intelligently and ironically calling out the hypocrisy of human nature.' ★★★★★ (Herald Sun, Australia)

'Funny, intelligent, charming' ★★★★★ (Edinburgh Evening News)

'Brilliantly dark' (Sunday Times)

'Sloss is a festival highlight. See him' ★★★★★½ (The Age, Australia)

'Dirty, sweet and clever' (New York Times)

'Genuinely funny!' (Time Out)
